Grammar integrated excercises

The following paragraph has not been edited. There is one error, in each line.

Write the error and

the correction in your answer-book against the correct blank number.

The Earth is one of the eight planet that go around the Sun. In ancient

(1) \_\_\_\_\_

times, the people who study the stars

(2) \_\_\_\_\_

noticed that while certain heaven bodies  
(3) \_\_\_\_\_  
seemed fixed in a sky, others seemed to  
move around. (4) \_\_\_\_\_  
\_\_\_\_\_

**The following passage has not been  
edited. There is one error in each line.  
Write the incorrect word and the  
correction against each line of the  
passage.**

In British days, India was knowing (1)  
\_\_\_\_\_  
like a country of Maharajas, snake (2)  
\_\_\_\_\_  
charmners and beggars while a first (3)  
\_\_\_\_\_  
two species is almost extinct, (4)  
\_\_\_\_\_

beggars are surviving perhaps on (5)
